## The Largest and Most Important Oil and Gas Event in the Sultanate of Oman

Oil and Gas West Asia (OGWA) brings together local and international upstream companies, technology and service providers, equipment suppliers, and other companies directly serving the industry's requirements.

It is a platform for discussing the latest developments and directions of the industry, as well as for trade and business opportunities among the local and international upstream companies. Since its launch in 1998, it has been under the patronage of the Ministry of Oil & Gas.

## Exhibitor Profile

- Artificial Lift Technology
- Communication Systems
- Computer Systems and Software
- Corrosion Control
- Construction Equipment
- Drilling Equipment
- Electrical Products and Lighting Systems
- Enhance Recovery System
- Environmental Protection Systems
- Fluid Mechanisms and Oil Recovery
- Gas Processing Systems
- Gauges, Meters and Indicators
- Instrumentation and Controls
- Lifting Equipment, Cranes and Winches
- Logging Equipment
- Marine Equipment, Diving, Navigation, Subsea, R.O.V.
- Oil and Gas Transportation Systems
- Oilfield Equipment
- Pipes and Fittings
- Pumps, Compressors, Valves, Tanks, and Storage
- Refining & Petrochemical Equipment and Services
- Safety Equipment and Systems
- Seismic/Oceanographic Systems
- Transportation
- Valves, Tubes and Fittings
- Wellhead Equipment
- Facilities Management, Maintenance and Repair
- Geography and Geophysics
- Inspection and Testing

## The Only Exhibition and Conference Dedicated to the Gas and LNG Industries In Oman

The Gas & LNG Show is the only event of its kind in Oman, gathering the full-stream natural gas value chain professionals under one business platform: from service and technology providers, policy makers, government leaders, to gas and LNG companies, national oil companies (NOCs), international oil com-

panies (IOCs), petrochemical and power producers from the Middle East region and around the world. It is designed to enable business partnerships, create new market opportunities, and encourage industry dialogue and discussions on the challenges and opportunities in Oman's gas and LNG industry.

### Exhibitor Profile

- Consultancies
- Engineering, Construction and Contracting Companies
- EPC Companies
- Gas and LNG Companies
- Integrated Energy Companies
- IT and Digital Infrastructure Companies
- National Oil Companies
- Power Producers
- Storage Transmission and Distribution Service Companies
- Technology and Service Providers
- Utility Companies

The Offshore & Marine Show is a dedicated exhibition and conference for professionals from the offshore and maritime industry. It serves as a comprehensive business platform for companies directly related to shipping, mar-

itime engineering, offshore engineering and technology, ports and logistics designed to help meet global energy requirements.

### Exhibitor Profile

- Automation, Navigation, Communications Equipment and Services
- Cargo Handling Systems
- Deck and Hydraulic Equipment
- Drilling and Heavy Lift Vessels
- Lubricants and Bunkering
- Main and Auxiliary Engines
- Marine and Industrial Pumps, Equipment and Services
- Marine and Industrial Compressors
- Fresh Water Generators & RO Systems
- Marine Coatings
- Marine Logistic Solutions
- Marine Propulsion Systems
- Maritime Equipment and Services
- Offshore LPG / LNG
- Port, Ports Equipment and Port Technology
- Safety Equipment and Services
- Ship and Boat Building, Repair and Conversion Services
- Ship, Boats, Vessel Equipment and Services
- Ship Operation Equipment
- Ship Fittings and Equipment
- Subsea Design and Technology
- Temperature and Pressure Calibration Equipment

# Why Exhibit at OPES 2021?

- Meet qualified decision makers
- Learn about the current oil and gas projects in Oman
- Meet new and existing buyers
- Go head to head with your competitors
- Meet new distributors
- Conduct market research
- Gain knowledge about the trends, developments, and current issues in these sectors
- Promote your company and your products and services to markets beyond your region
